

# Our Goal: *Satisfied Horse Owners*

superior product

strong but flexible

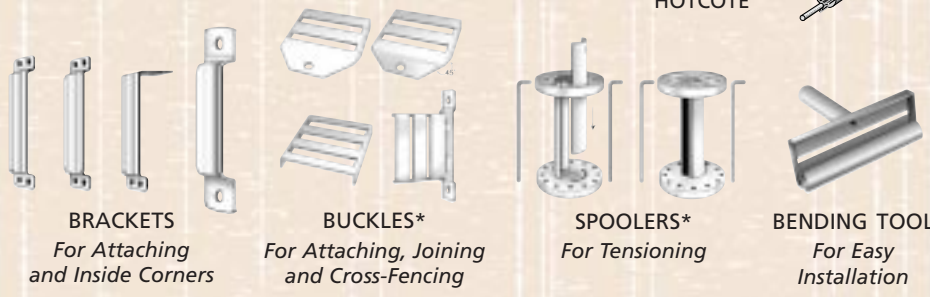

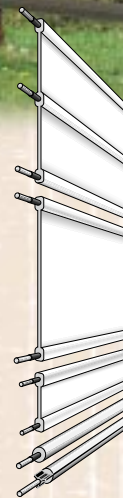

priced right

## Why Horserail:

- Competitively Priced
- "No Problems" Warranty  
Will match any legitimate warranty
- Easy To Install  
Complete, integrated system
- Superior Hardware  
Made in the U.S.A., innovative tools and techniques
- Equal Strength and Flexibility  
***What is Strong Enough?***  
See the above photo where a 2 ton vehicle traveling 60 mph took out a fence post but not the Horserail fence. Definitely - strong enough for horses
- Low Maintenance
- Friendly, Accommodating Customer Service
